LETTER FROM THE CLUB PRESIDENTS

"Kiwanis is Kids" is the motto that motivates the work done by the Kiwanis Club of Keene whose mission is to serve the children of Cheshire County. This aligns with Kiwanis International whose mission is to serve the children of the world.

To that end, each year members hold several important fund-raising events. Our "Make the Ask Campaign" solicits financial support from many generous local businesses. In August, we host a very popular golf tournament at Brentwood Golf Course in Keene. All moneys raised go into the Keene Kiwanis Foundation.

These funds are reinvested locally, benefiting the youth of our community and the agencies and organizations that serve them. In the past we've provided: scholarships, camperships, grants to support the bike park at Wheelock Park and the skate park in east Keene. Additionally, our grants supported youth visiting historical sites through Cheshire County Historical Society, developing youth

clubs at Keene and Monadnock Regional High Schools and St. Joseph Regional School. These youth clubs emphasize team work, leadership and service to the community. Our grants fill a wide variety of other unique needs that help serve the many needs of our local youth.

Kiwanis Club of Keene is known for providing safe, healthy, wholesome and enjoyable programs for children and families which includes the Annual Kiwanis Tree Lighting on Central Square and the "Kool Wheels" Family Fun and Safety Day.

Kiwanis is all about helping the children of Cheshire County. We are always looking for civic-minded, hardworking people to join our club. (We have a lot of fun too!) People like you! Come meet us at the Pub Restaurant for breakfast any Wednesday morning at 7:15 am and see what we are all about. Breakfast is on us. Work with us. Share our mission, share our passion. Our Cheshire kids deserve the best.

Sincerely,

Elizabeth Sayre, 2024-2025 President Kiwanis Club of Keene
Art Walker, 2024-2025 President Keene Kiwanis Foundation

COMMUNITY SERVICE PROJECTS

The Kiwanis Club of Keene, using funds raised by members for the Keene Kiwanis Foundation, will give our community close to \$35,000 this year. We award grants and give donations to youth focused, non-profit organizations improving the lives of the children living in the Monadnock Region. The Keene Kiwanis Foundation also supports the Kiwanis International Children's Fund. Community Service awards the Deverill Scholarship each year to a graduating Keene High School student or students pursuing education in a medical field.

A portion of the above funds go toward our service projects which are supported by the members of the Kiwanis Club of Keene who volunteer their time to make them happen. These include:

- The Annual Kiwanis Kool Wheels Family Fun Safety Day at the Keene Parks and Recreation Center, planned for May 3, 2025. We provide bike helmets to children, accessories for their bikes and a bag with healthy snacks.
- Decorating the bandstand and holiday tree on Central Square in downtown Keene
- Planning, funding and hosting the Annual Kiwanis Tree Lighting Celebration the day after Thanksgiving
- Members also participate in Christmas activities: ringing the bell for the Salvation Army and purchasing gifts for a deserving family in concert with the City of Keene.

If you are a non-profit organization supporting children and would benefit from financial support - visit our website: keenekiwanis.org, click on "Grant & Donation Requests" and complete the on-line application. Our Board of Directors for the Keene Kiwanis Foundation will review all requests and make decisions on grants to be awarded.

CLUB OF KEENE

WHAT IS KIWANIS?

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. We focus our efforts on the youth in our local community.

What are qualifications for membership?

Membership is available to service-minded men and women from all walks of life, from individuals 18 years old to retirees. Our members are unified in their belief that our local children and our community benefit from the efforts of an actively engaged group of caring and involved volunteers.

Where and when do you meet?

Our meetings are usually held on Wednesday mornings at the Pub Restaurant in Keene, NH. Go to our webpage: keenekiwanis.org and check our Meetings & Events page to see if we have a speaker planned or if that week's meeting has been changed.

How do I join Kiwanis?

New members are usually "sponsored" by a current member. If you are interested in joining our club, contact a club member or visit our website and click on the "Contact Us" button. We'll welcome you as our guest at your first meeting. You'll have the opportunity to meet members, ask questions about our club, and get acquainted with us. If, after your visit(s), you are interested in joining the club, your member sponsor (we will assign a sponsor if you aren't acquainted with a member) will provide you with a packet of information about our local club and Kiwanis International and you'll become acquainted with the easy steps to join.

What happens at Club meetings?

Members arrive around 7:15 am to socialize first. Meetings officially begin at 7:30am with the ringing of Kiwanis bell, a patriotic song, the Pledge of Allegiance and a short inspirational quote. The meetings are social, informative and educational in nature. We invite a speaker to most meetings, occasionally keeping a meeting reserved for open discussions relevant to the club or members. Meetings end at 8:30 am. We also schedule evening meetings on occasion for variety and to accommodate those members who find it difficult to attend morning meetings.

What is the financial obligation?

There is a one-time membership prorated application fee depending which month you join, payable after your membership is approved by the Board of Directors and Kiwanis International bills the Club for your membership. That covers your dues for the first year. After that, annual dues, determined by the Board in June, will be due September 15, as the Kiwanis fiscal year is October 1 through September 30th. Dues include payments to support resources provided by our local club, the New England and Bermuda District of Kiwanis and Kiwanis International.

What is expected of a new member?

New members are expected to attend club meetings as often as their schedule allows, to be an active member of at least one club committee, and to participate in most of our club service projects and fundraising efforts for the Keene Kiwanis Foundation.

What are the benefits of membership?

- An opportunity to become more involved in community by performing community service
- An opportunity to learn more about our community through our speaker program
- An opportunity to make new friends within the community
- An opportunity to network with other members
- A lot of fun!

New members bring fresh ideas and energy to Kiwanis clubs. We invite you to reach out and get involved with our local club. Send us an e-mail: keenekiwanisinfo@gmail.com, or come to one of our meetings and introduce yourself!

KIWANIS YOUTH CLUBS

The Kiwanis Club of Keene sponsors youth clubs which are student led community service organizations. We mentor and provide financial support for: Key Clubs at Keene High School and Monadnock Regional High School; and a Builders Club at St. Joseph Regional School.

These clubs provide opportunities for students to assume leadership roles; improve self-esteem; increase civic engagement; and learn life skills through service to others. They empower young people to work together with friends and realize plans through action. The students and their advisors set goals and co-ordinate activities. The Kiwanis youth experience the rewards of doing for others while developing the skills to become responsible adults.

A portion of the funds raised by members for the Keene Kiwanis Foundation goes toward supporting our youth clubs.

The Foundation provides a portion of the cost for Key Club members to attend Leadership Conventions. Each year a \$2000 College scholarship may be awarded to a deserving graduating student from each high school Key Club.

The Keene Kiwanis Foundation also pays the yearly dues for the Builders Club as well as funding induction ceremonies and a variety of other activities and projects.

To learn more about one of our youth groups, visit our website at keenekiwanis.org.

The St. Joe's Builders Club held a Thanksgiving Food Drive last year to benefit the St. Vincent de Paul Food Pantries in Keene and Winchester.

KIWANIS COMMUNITY EVENT

Tree Lighting Celebration

Each year the Kiwanis Club of Keene invites the community to kick off the holiday season with the Annual Tree Lighting on Central Square. In addition to support from the City of Keene Mayor's Office, Public Works, Police and Fire Departments, many local businesses and downtown merchants contribute to the success of this event.

Kiwanis club members decorate the bandstand, Keene Fire Department and Phil's Tree Service help with setting up and stringing lights on the tree. This is a fun-filled evening with entertainment by area musicians, cookies provided by Kiwanis youth groups, hot chocolate and a visit from Santa to do the countdown for lighting the tree. Once the tree is lit, children can have a visit with Santa. All are welcome! Please join us in the annual festivities held on the Friday after Thanksgiving beginning at 5:00pm. Help us welcome Santa and Mrs. Claus to Keene! Special thanks to our sponsors: Fenton Family Dealerships, Keene Monument Company and Hamblet Electric.
